Lord, prepare me each morning to have a good day, to grow closer to You, to meditate and pray. Help me count my blessings and be of good cheer, to see the goodness and beauty in all I hold dear. Guide me in achieving my goals and following Your will. Help me to know that, despite my challenges, You make all things possible. Help me to share "Good News," and look for life's pearls, and connect with the faithful to spread hope in the world. Help me stay in the present and add joy to each day. Through life's ups and downs, You won't lead me astray. Strengthen my faith, Lord, for I am in Your mercy. I pray, Lord, make me a better person. Amen.

A Prayer for Guidance

Lord, enlighten us with Your love and empower us with Your strength, so that we can express our thoughts and goals with compassion and dignity. Help us to become leaders focused on the betterment of all. Guide and protect us in these changing and challenging times, within our families, country, and world. And let us remember that Mary is with us, keeping watch over us always as a loving mother who guides us to Christ and an understanding of Your merciful ways. Amen.

Serenity: A Gift of God's Grace

Christopher News Notes

MODERN LIVES ARE COMPLEX AND OFTEN RESET BY ANXIETIES AND STRESS. The flood of information about what's happening in our towns and around the world can quickly become overwhelming and rob us of our peace of mind. In such an environment, it's not only possible? Yes, it is. And not only is it possible? Yes, it is. And not only is it possible? Yes, it is. God invites us to put down our worries and burdens and accept His peace which "surpasses all understanding."

Follow God's Path Towards Joy

Christopher News Notes

WE ALL GO THROUGH LIFE CIRCUMSTANCES THAT LEAVE US TIRED, DRAINED, OR DEPRESSED. During these periods, happiness and joy seem elusive or non-existent. Though we can't wish or pray all our troubles away, we do have a choice to make. We can let ourselves be dominated by negativity—or we can try to find light in a dark situation. And focusing on that light may even lead us towards joy again.
